Gents --

Tomorrow!

Again, thank you for your willingness to serve your fellow players.
And encouraging you -- if you know someone else who might help, we could use him.

REPORTING SCORES

To assist Don Knight in promptly getting game results onto the website,
decide whether you or your partner will call or email **each game's score** to him.

SIGNING IN

In the equipment room will be a **sheet** for you -- please **make notes** at the end of your shift.
(That's what I use to get you paid!) And if you forget, email me.

SHIRTS

If **you need** a HnP "Umpire" shirt, shoot me a note with your **size**?
In the meantime, please wear something not-red, not-white!

SPORTSMANSHIP

Those who were at the winter meetings heard that Barb Rauckhorst created the **Steve Loya Sportsmanship Award** to be awarded each year. "I believe the umpires and managers would have the best input to help me choose the player who exemplifies a passion for the game of slow pitch softball, team spirit and sincere respect for fellow players, umpires and fans. Please ask all umpires from each division to keep these criteria in mind as they watch players as they go through the season?"
I just did ask. Whenever you brush up against **a guy who deserves consideration**, email me his name. And, if you wish, any notes about 'why'. I'll forward to Barb.

HOUSEKEEPING

1. If you have not yet responded to confirm that you've **received** my messages, please let me know, so I can ensure I **have your email address right**?
2. I've asked several guys whether they have a **mobile phone**. It's to help me contact possible replacements at the **last moment**. If I don't have yours, please reply to send it?
