

We have the best view of the game.

Here are a couple thoughts to make it even better? Hopefully this helps:

1.

### **Saturday's Attempt to Schedule June**

Thank you for all the lovely messages, especially the one magical one. ;-}

The boatload of revisions attached.

2.

### **My Upcoming Feeble Attempt to Schedule July**

Will occur on June 28. So please put 6/27 on YOUR calendar: "Advise Peter when canNOT ump".

3.

### **D3 Fielders for Non-Running Batter**

Rule 2.1

Managers and Umpires will insure that outfielders will stay in place and not move in for non-runners. There are to be NO short-fielders for non-running batters. When there is a non-running batter, Umpires are to move outfielders to standard depths.

Some confusion exists whether short-fielders can be on the dirt for a Non-Runner. No. Only "infielders" i.e. first, second, shortstop, third.

(Questions to Division Director Jim Dew. Or changes to Rules Committee at season's end.)

### **Scores to Don Knight**

I screwed up. Don does greatly value your confirmation. But last newsletter I asked you to TEXT to his landline. Sorry.

Please provide: "field, early/late, score, winning team" to VM 440-937-5414 or

### **These Notes and Reminders onto Website**

Don Knight has made a library of these messages -- in case you ever muse to yourself "hmmm, Peter once sent ..."

In his wisdom, knowing you undoubtedly will occasionally visit the Rules, he put this at

[www.Huff-N-Puffers.com/Rules-and-Regulations.html](http://www.Huff-N-Puffers.com/Rules-and-Regulations.html)

and even suggested you bookmark that page.

Then he gave you a link at top right -- "Umpire Information" -- and even put it in a box colored sky blue just like your umpire shirt!

Files list chronologically -- you can see the date code as YY MM DD, eg: today's 220530

Hope you're enjoying a wonderful Memorial Day!

Regards, Peter

Please consider the environment before printing this e-mail -- but if it makes you a better umpire ...
